“ We are very sorry to read of Rea's passing. She was the best neighbor, we have ever had. We are sorry we can't attend the service on Monday, but we will be thinking of you all. And thanks Erin for taking such great care of your Grandma. Jim and Barb Smith and families.

“ Our families were intertwined due to the ages of the Werner Daughters and our kids - Ron, Lon, Pat and me, and our activities in school, mostly band. But none of those interactions were as strong as that of Susie and me. Her dad was our "gas man" and he told me his daughter was in Kindergarten with me. I made it a point to seek her out and we were best friends from the get go. Back in the day, my mom had to confer with her mom (Ree), before we could go to each other's houses. It was almost a weekly ritual (going to each other's houses) and Mrs. Werner was like a second mom to me. What an awesome family! I'm proud to have known her and spent so much time in their presence. She will be missed! My condolences to the entire family.

Thank you Susie for the very kind words! Mom says to tell you, that the bond you two have will always be with her and as far as mom (Ree) was concerned, she always considered you as one of the kids!
