“ Connie

I just saw this and I am devastated. Russell was always very kind and I really appreciated his way of making me feel like I was important. The reason I came across this is my Father just died Friday night and I was looking for his name. I am so sorry. There are no words in the vocabulary that can explain my feelings and sorrow for you. If I can ever do anything for you I would do it immediately. I remember your kindness and smiling face. Again, I am so sorry.

“ Classmate of mine at Wapakoneta Senior High. Russ was one of the good ones in my class. Always friendly, always greeted you and always had time to talk about anything. Through the years we would meet and he always remembered my name and had seemed sincere when asking how I and my family was doing. A truly good man and will be missed. Rest In Peace Russ and we will meet again I'm sure. - Rene' Jeanneret

“ We are so sorry for your loss of a great guy. We were all family for a lot of years, lots of birthday parties for the kids, and other family celebrations. Randy's Mom still talks about the motorcycle ride he gave her for her 80 th birthday. Because that's just the kind of guy he was. We are so thankful that Mara, Sophie, and Thatcher will have all their memories to hang onto. Praying for peace for all of you in figuring out how to go ahead without Russ. He will be missed.

*Sincere sympathy,
Randy and Kathy Wallace*
