“ *I'm Sandy's niece! I was very close to her and see a lot of her in me. My heart is broken in pieces and I still can't even believe she's gone! The worst part is not being able to be there with my family during this time. Even though I'm not physically there, my heart is.*

“ First i want to tell her loved ones how sorry I am for their loss. I worked with Sandy at Reineke a few years ago and can say she was just so sweet. She loved her family and friends.
She will be missed.
