“ Dear Aunt Helen and our cousins; Joe, Linda, Pam, & Randy, sorry to hear of your loss -- Steve & Ric Presar.

Steven Presar - November 04, 2017 at 09:12 AM

“ Sandy was quite the card player when we all gathered at Tator's pond for family outings. She loved to read and was an avid reader of books and magazines, too. We went to catechism class together on Sunday mornings before mass. We were both country kids. A very special lady who will be missed. Please accept my sympathy for your loss. Heaven got a new soul when she passed over.

“ What a wonderful woman. Her love for books is what I will remember. And those fun times at Presar pond. She always had a kind word. She will be missed but her spirit continues on through all those who loved her. Brenda Cullison

“ *Sandy and I worked together for many years at Burger King. She was a very sweet lady, and a very hard worker.. I lost contact with her for a few years until we had a chance to reconnected through our church.. my favorite memory of her will always be watching her give her life to the lord and get baptized... it was so touching and I will never forget that moment. It was an honor to know her and I am truly sorry for her family..*
