“ I'm so sorry for your loss Mark. I know losing a mother is a devastating thing. I lost mine several years ago when she was 78. I believe losing people you love takes a little piece of your heart. I still talk to her and dad often. i believe they still visit me - with animal sitings - cardinals at my house when I'm out reading my morning devotions or at my son's house in Buckland. Memories and words they have spoken still resonate with me and make me smile!! I will be praying for guidance and peace as you and your family work through this tough time. - Your classmate - Terri (Gierhart) Zofkie

“ *Sandy was my cousin and good friend for many, many years. I remember visiting the Herndons Sandy and her sisters Linda, Karen, Elaine, and brother Larry in Waynesfield on many occasions. Great memories of Sandy and the entire family. RIP my old friend. Best to the entire Herndon family and to Dale and the Stolzenburg family.*
