“ Jeff, Kelly, Marie and Julie: At the Murray reunion we had earlier this month, Kelly told me Scott was not well, but I still was saddened to hear of his death. We all have fond memories of Scott. His good humor and quick smile will be missed, but remembered. As a kid, I stayed on the farm for short visits. Those were the “best of times.” Scott loved life and made us all feel better because of it. Best wishes to all of you.
