“ Sue was a classmate (1975) and friend. I thought she was spunky, cute and friendly to everyone. She had a very bubbly personality. I was hoping to see her and reconnect at our upcoming 50th class reunion next summer.

In later years, when I learned of her years driving race cars, I was so intrigued.

She clearly lived her life doing what she loved.

I was so sad to hear of her passing. What a tremendous loss to the Sutton and Byers families. God bless you all. Prayers for healing.
