“ Our greatest sympathies for the loss of Terry. He was a great friend, a mentor and co-worker. Terry was always willing to share his wealth of knowledge to anyone who would take the time to learn from him A man of many talents, many tales and huge heart. He will be surely missed, but his memory will live on with those of us that knew him.. So it is farewell for now, until we meet again someday down the road. Rest peacefully until then.
