“ Hi -

Did not want to hear that Ted is no longer with us. I worked with Ted from 2002-2014, on many projects, & he always had a smile to share, & was fun to work with on a daily basis. His orneriness was infectious, & he was a great machinist & Machine builder.

*So sorry for your loss, John Bender

Uncle Ted, it's hard to believe that you are no longer physically here with us. You have moved to the best neighborhood that I know of. I hear the streets are paved with gold and every one lives in heavenly peace! It never rains, no one complains, no pain, no tears! Have a great time walking on the shores of heaven with Jesus! Keep your halo on straight and save us a home on the same street! We will be missing your sweet smile and laughter for a while, but you left us with some wonderful memories and you are in our hearts always! Watch over your girls from up there! I love you and I'll be seeing you! Bon
