“ Theresa was one of the first residents of Botkins to welcome me to the community. She was a wonderful person. I will never forget her kindness. May she sleep with the angels forever more.

“ I wish I could be there to express my condolences but at this time I'm out of the country. I wanted all the family to know that you have my deepest sympathy for the loss of your matriarch. Theresa raised a great family. She was always nice to me. I will remember her always as I reminisce of my time in Botkins.
