“ *To the family of Tom I offer my heartfelt sympathy. Tom was a wonderful person and a dear friend for almost 30 years. Loved him like a brother. He will be truly missed by so many people. One funny thing he used to do to me was when he would send a card he would fill it little tiny pieces of paper and when you pulled the card out of the envelope who would have a mess. He thought that was so funny. May you find comfort in each other just now. Hold him close to your heart and savour those precious memories.*
