“ My heart goes out to the family. This is such a loss. You will be truly missed Val. I will miss working with you I will miss you being there for me every single time I needed you. Even on your day off. The home visits thru out the years we've done together has been a blessing. You saved a woman's life on one of our visits and she wasn't even our patient. Her husband was; once again on tht day I phoned you all those yrs ago and you were there and rushed over. U saved her life. You will never ever be forgotten as you are in my thoughts daily. Wishing you were still here. 🥺💔. I was blessed to know you. Anita
