“ Larry, I'm sorry for your loss but also know the blessing for your mother who was a good and kind woman. She was always friendly whether at church or at the Lucky Steer and she and Mom liked to visit. She'll be missed in your family circle but the glory is hers today....

“ Although I am unknown to the family of Mrs. Thuman, she and her husband made quite an impact on my life when I was a child living in Wapak. I met them through Jaque & Suzi and they became my 'adopted' grandparents, even taking me to Lucky Steer with them on several occasions. I have been out of state for many years and have missed them both a great deal. I am so sorry for the loss to the Thuman family.
