“ *After many years of using his carpentry skills ,esp after his bro had passed, my bro in law would many times say, no charge for family members! Kind of guy he was, a giver!
His last carpentry job for me he banged up his thumb , and knowing it had to hurt and bleed, and no one else here to help, he finished up what he was doing before to Dr!
Peace with Jesus and ur heavenly family was so well earned!! 🙏

We have known Virgil for over sixty years. He was always a joy to be around. He was so friendly and welcoming to everyone he came in contact with. He will be greatly missed by everyone who had the privilege to know him.
