“ Karen, Bruce, and family. I'm so sorry to see that you lost your mother/grandmother. She was such a nice lady. I got to know her through your dad. I worked in utility billing for the city so I saw him almost everyday when he came in from reading meters. "Glad you got to see me" was his saying when he'd leave. They were on a couple of the same bus trips we went on too, so my late husband & I enjoyed their company. May God comfort you, now, and always!
