“ I want to send my deepest sympathies to the family, friends, and everyone who loved Dylan. I was lucky enough to have worked with him at Setex. He had a way of making time fly when he was around. I could always count on that smile, a laugh, and stories about his family, cars, or whatever else was going on in his life at the time. More than anything, he absolutely adored his niece and nephew! Proud to be their uncle would be an understatement. My heart breaks for all of you! He was such a bright light. I will be keeping you all in my thoughts and prayers as you navigate this unthinkable difficult journey 💔😭🙏
