“ *After hearing many many amazing stories about Warren from his daughter, Ann, I got the pleasure of meeting him one day in Gahanna. Boy, was he a pistol!! He said what he meant and he meant what he said and I loved that about him. Boy was he funny too!! You don't find that kind of honesty and hilarity in many people. Warren was one of a kind. The very best kind!! He will never be forgotten. To all of his family and friends my deepest condolences*
