Tribute Wall

“ *T. J. Was one of my favorite residents when I worked for auglaize acres. He was always ornery and had a smile on his face. Please to take care of you T.J. may you rest in peace :)*

“ *He would ask me to take a shower with him, then laugh and tell me not to tell my boyfriend so he didn't come beat him up. He loved it when I brought him a t-shirt from our hog roast. The last time I visited he was so happy, telling people his girlfriend was there. He will always have a special place in my heart.*
