“ Bill was one of my first students at Spencerville Middle School during the early 1970s. I remember his sweet face, and how proud he was of his sister, Jean, who was in college to become a teacher. Bill's mother was especially kind to me because Bill was finally happy to come to school. Those were wonderful years with some great kids. I am so glad Bill went on to have a loving family of his own, and I hope that your memories of happy times with him will help guide you through the painful days ahead. Please accept my deepest sympathy. - Janet Clark "Miss Clark, SMS 1972-76”
