“ *Dad I love you. I cherished our camping trips to Zanesville our fishing trips from Lake Erie to the local river and all the in-betweens... not really the ice fishing though. In life it's hard to juggle work, family and friends and as a child I wanted more of your time but as a father and grandfather myself I understand that being a provider can sometimes take away from those precious moments. I am proud to be your Son and proud of the Man you were/are. We shall fish together again Dad...not ice fishing!*
