“ I am so very sorry for your loss. May you find comfort in the Bible's hopeful message where it reveals that God's purpose is to restore the dead to life by means of a resurrection to a paradise earth, where sickness and death will be no more. "The hour is coming in which all those in the memorial tombs will hear his voice and come out." (Johj 5:28,29) I hope that you find comfort through the power of heartfelt prayer to God and your wonderful memories during this difficult time.

So sad to hear of Wilma's passing. She was my babysitter for a very long time. She took very good care of my brother and I. She will be missed I'm sure. My sincere condolences to the family.
